PUBLIC NOTICE

The Lincoln County Noxious Weed Control Board will be performing routine surveys for noxious weed infestations in accordance with the Washington State Noxious Weed Law—RCW 17.10 throughout Lincoln County.

Field staff will not drive off from access roads that lead onto or through landowner properties, access onto properties will be performed with the utmost respect and they will not damage any property while gaining access. If they can't adequately survey the entire property from the vehicle they will travel on foot to those areas.

You only need to respond to this public notice if you have questions or concerns. 509-725-3646

# SATURDAY

# JUNE 1!

**ARMED FORCES DAY PROGRAM - WWII**  
*"One Marine's Experience in the South Pacific"*  
Saturday, May 18, 2024 • 2:00 PM  
Davenport Memorial Hall

A presentation by the daughters of Lee W. Randall, showcasing his battles and memorabilia.

Lee W. Randall, USMC, a native of Davenport, served on four ships and fought valiantly against the Imperial Forces of Japan on the islands of Bougainville, Guam, and Iwo Jima in the South Pacific during World War II. He received the Purple Heart twice.

**HONOR LOVED ONES WITH A PLAQUE**

The Memorial Wall at the entrance of the Lincoln County Museum has been expanded so many more names can be added. All plaques are off the wall and will be put back up per decade in alphabetical order. The wall is focused on Lincoln County pioneers then anyone else who has lived in Lincoln County. If you are unsure if someone already has a plaque, just text or call 509-215-0945 with the name or email lincohistorical@gmail.com and LaVon will let you know. To order, the name and the Lincoln County arrival date are needed. The cost is \$100 per plaque and that is still the original price from 1974. Couples are fine on one plaque.

**SWANSON LAKES HABITAT PROJECT**

Saturday, May 11 • 9:00 am

Pheasants Forever is teaming up with the Spokane Audubon Society and WDFW to establish winter habitat for upland game birds, including the endangered sharp-tail grouse. The Swanson Lakes wildlife area is critical habitat for endangered Columbian sharp-tailed grouse and other upland birds. These species depend on riparian trees and shrubs for winter habitat. This habitat is lacking on the wild-life area, exacerbated by the 2020 Whitney Road fire.

The May 11 project will entail planting 700 trees and shrubs and enclosing the planting sites in deer fence. Hot lunch will be provided by prior arrangement and camping accommodations are available if you'd like to stay overnight.

For details, to sign up to volunteer, or prearrange lunch, visit [www.pf800.org/](http://www.pf800.org/)
